## METAL PLANTER 293 TS

1,109.00 €

The metal planter **model 293** from the Encho Enchev - ETE company embodies elegance and durability. The combination of premium **stainless steel** and exquisite wooden details make this planter the ideal choice for any garden or indoor space. The wooden elements are available in an **eco-friendly Resysta® timber** or traditional spruce wood option.

The **Resysta®** timber comes with a **15-year warranty** against cracking and delamination, provided by the material manufacturer. High-quality protective coatings on the timber ensure long operational durability. With its compact height of 40 cm, it is perfect for medium-sized plants and shrubs, various low-growing flowers, and decorative grasses. The dimensions of the planter make it ideal for larger spaces in both interior and exterior furnishings.
